individual designated in §1.56(c) more than three months prior to the filing of the information disclosure statement.

A translation of the communication from the Japanese Patent Office, along with an English language Abstract of the reference cited therein are enclosed to provide the requisite statement of relevance for the attached foreign references.

The above information is presented so that the Patent and Trademark Office may, in the first instance, determine any materiality thereof to the claimed invention. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references cited in the attached Form PTO-1449 is made of record therein and appear on the first page of any patent to issue therefrom.

The Commissioner is authorized to charge Deposit Account No. 50-2866 for any fee which is deemed by the Patent and Trademark Office to be required to effect consideration of this statement.

Respectfully Submitted,
